

2. Rainbow On The Wall

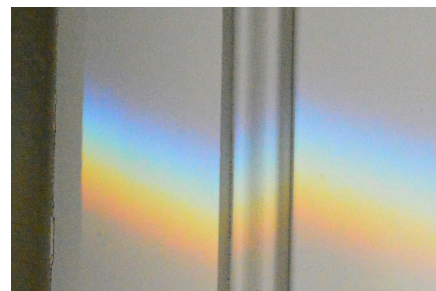

No prism? No problem. Using a small mirror and a glass, you can make a beautiful rainbow on the wall.

Active Time

15 minutes

Total Time

15 minutes

Materials

- water
- sunlight

Tools

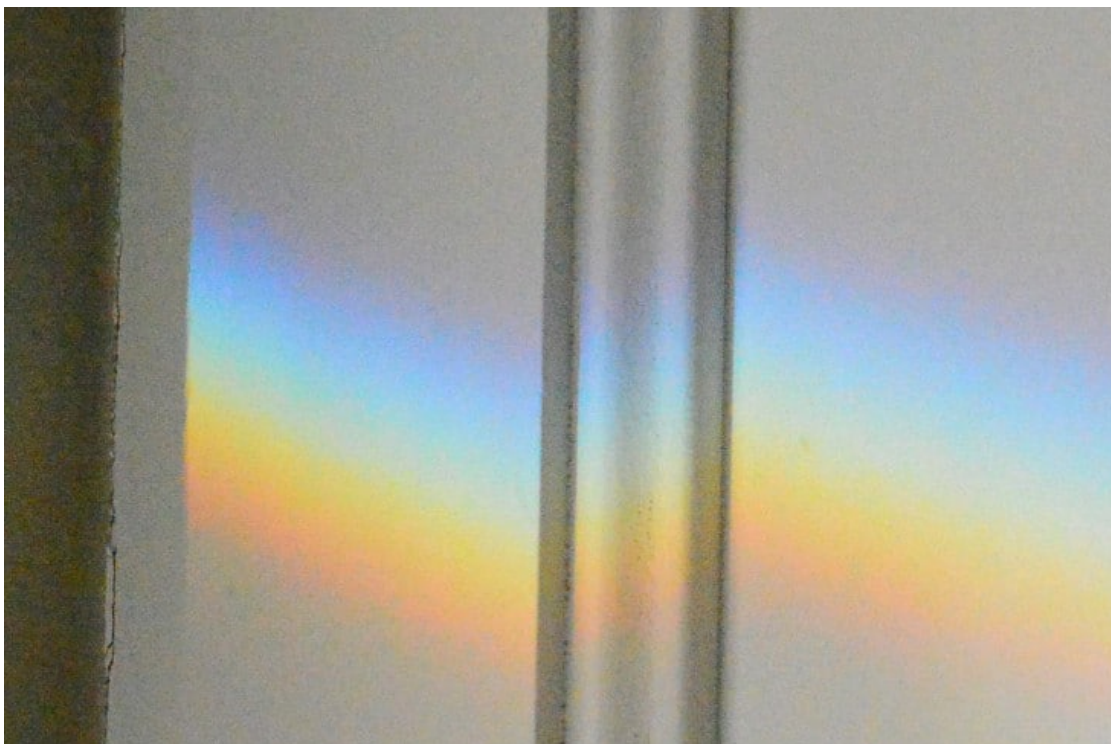

- a clear glass
- small mirror
- adult supervision

Instructions

1. Fill the glass with water.
2. Put the mirror into the water inside the glass at an angle.

3. Position the glass so that sunlight shines directly at the mirror. You may have to shift the mirror to find the right angle.
4. Look for a reflection on the wall. **It would be easier to see if the room is dark.**
5. Adjust the angle of the mirror until you see a rainbow on the wall.
