

Name: \_\_\_\_\_

Fundamentals of Earth Science: **Week 5 HOMEWORK CHECKLIST**

5th & 6th Grade

*Due on September 29th*

\_\_\_\_\_ **(1 point) Read Lesson 5: Rockin' It Out!**

The lesson page was handed out in class and should be in the front of your binder. As you carefully read, neatly highlight or underline the main points in the lesson. This is a study skill that will help you connect with what you are reading and help you to retain the information. When you are finished, put the lesson behind the lesson page tab of your binder.

\_\_\_\_\_ **(2 points) Reinforcement and Review: Rocks**

Watch the two videos and add to your notes on page 31 of your lab notebook.

**3 Types of Rocks (Make Me Genius):** <https://www.youtube.com/watch?v=Pwlr2uSSgcc>

**3 Types of Rocks (FreeSchool):** <https://www.youtube.com/watch?v=EGK1KkLjdQY>.  
**(worksheet for 5th/6th grade)**

\_\_\_\_\_ **(1 point) Kinds of Rock Quiz (TURN IN FOR A GRADE)**

After watching the videos and reading the lesson, fill out the Kinds of Rocks Quiz that was handed out in class. This is an "open note, open lesson, open video" quiz. No parental help is to be given. All of the answers are in the reading or the videos, so you can do this on your own! Have your parent sign the bottom of the quiz showing you followed the quiz guidelines.

\_\_\_\_\_ **(2 points) Three Types of Rocks LAB. FOR A GRADE**

\_\_\_\_\_ Watch video, **Starburst lab:** [https://www.youtube.com/watch?v=g93jXTUv\\_RQ](https://www.youtube.com/watch?v=g93jXTUv_RQ)

\_\_\_\_\_ **Complete the 3 Types of Rocks Lab**

Using the baggie of Starburst handed out in class, complete the 3 Types of Rocks lab following the instructions on your lab sheet. Glue the lab sheet onto page 34 of your lab notebook when completed.

Fundamentals of Earth Science: **Week 5 HOMEWORK CHECKLIST**

5th & 6th Grade

*Due on September 29th*

\_\_\_\_\_ **(1 point) Rock Collecting for Kids—Rocks & Rock Collecting**

Read 124-133 on rock collecting. Then, look through pages 42-63. It is not necessary to read all of the words. Look at the pictures and read what interests you.

\_\_\_\_\_ **(1 point) Work on your Rock Collection**

Add two specimens to your collection this week. Try to identify them using your rock collecting book OR use the rock identifying web links that will be posted on the class website. **Bring your collection back to class next week.**

\_\_\_\_\_ **(1 point) Lab Notebook Check (WILL BE TURNED IN ON THE 29th for grading and RETURNED THE FOLLOWING WEEK)**

Lab Notebooks will be turned in next week for a notebook check and grading of assignments. They will be returned the following week. Take the time now to make sure that everything is neat and complete. Refer to lab notebook expectation on page 1 of your lab notebook.

\_\_\_\_\_ **(1 point) Organize Your Binder**

Being neat and organized helps in your learning. File the reading lessons behind the reading lesson tab and the checklists behind the homework checklist tab. Any other loose papers should probably be in your lab notebook at this time. Refer back to old checklists to see if there are instructions on where they go.
